Case No: 02-00289 Shiloh Falls Utilities, Inc. Compliance Audit

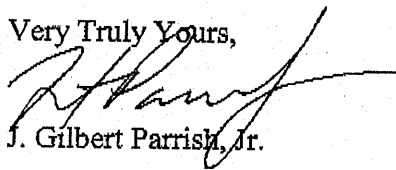

Dear Mr. Gaines:

The above referenced matter is scheduled for a hearing on June 2, 2003. Since the date this matter was set for a hearing, my daughter and wife are experiencing significant problems which require my immediate attention. It is anticipated that I will be in route on the date of the hearing and will be unavailable by phone.

I am requesting if at all possible that this matter be rescheduled after June 16, 2003. Earlier this year, the President of Shiloh Falls Utilities, Inc. was forced to resign as President due to significant medical problems. The acting President, Lisa Thomas, has indicated to me that my attendance would be necessary to help her address any issues or questions raised at a hearing.

Thank you for your consideration in this matter.

Very Truly Yours,

J. Gilbert Parrish, Jr.

cc. Shiloh Falls Utilities, Inc.
